

Christmas is coming...

Maisons du Monde launches a tea collection...
and attractive gift sets in which to offer them!

Take time for tea! At any time of the day, take a seat and relax by yourself or with friends to enjoy a cup of tea! Our new range offers a selection of six teas, in a variety of exotic flavours, conjuring up inspiring voyages by the Maisons du Monde designers.

Christmas Tea is perfect for those who love spice and festive moods. The classic **Earl Grey** and **Darjeeling** teas are sophisticated staples for any tea lover! **Detox Blend** with its dainty scent of lemongrass is perfect for green tea addicts. **Winter Tea's** subtle vanilla and caramel flavour will be perfect for cosying up by the fireside. **Red Cherry**, a black tea with a deliciously fruity cherry flavour will add sweetness to every sip!

These teas with their subtle flavours are sold loose in attractive slate grey 80 g metal boxes. They have been developed by Compagnie Coloniale.

And, because the festive season is coming, these teas will also be available in six gift boxes, along with a teacup, tea bag holder or strainer and other accessories for a sophisticated tea break!
