

Interior Design Consulting

Style, product selection, quantities, space planning...?!

No worries, we are here to help you get inspired!

Our Business interior designers will provide guidance on your new or remodel projects!

We listen to you
Your expectations, needs, constraints... We're here to help!

We're your personal shoppers
Personalised selections of furniture... We're on top of it!

We take care of everything
Layout plans, 3D modelings...
You have a choice, we think of everything!

Some of our most valued customers

« I was very happy with the services offered by Maisons de Monde! They provide a friendly, quick and personalised service. All in all it was a successful project. »
Anna Brittnacher - Hôtel Ohm by Happy Culture, Paris

« We were delighted to discover and work with MDM's Business Department, both for the advice and the quality of the customer relationship. »
Jean-Eudes Oumier - Keyrus, Paris

« I was very happy with the services offered by Maisons de Monde. They provided friendly, quick and personalised service... and the result exceeds my expectations! »
Anna Brittnacher - The (NAP) Hôtel by Happy Culture, Nice

« The Business service was a real help for our project! It is not easy to create a coherent atmosphere, and thanks to your decoration advice we succeeded. »
Viktor De Maertelaere - Skyline Flats, Ghent

« We work with the MDM Business Department frequently for our coworking spaces and we are really satisfied. The Business team is attentive and always responds quickly, the furnishings are perfect for our needs and our clients are delighted. »
Guillaume Bertaud - Morning Coworking, Paris

« The Maisons du Monde Business team enabled our customers to fully enjoy the #MundoHo experience, paying attention to every detail of the interior decor and enhancing every nook and cranny of our apartments. »
Antonio Sánchez Fernández - Hoteles HO, Almería

« With MDM you're sure to be able to carry out your project, with valuable help in selecting furnishings that comply with requirements for public buildings and accurate follow up when it comes to delivery and dispatch. »
Frédéric Tabary - Bar à Vin LEM, St-Etienne de Montluc

« We really appreciated the support of MDM in carrying out our project, especially in the preliminary phase of conceptualization and 3D modeling of the project. »
Vincent Torres - SAV Group, Paris
