Business

Your business is our business!

2019 Collection
I am proud to present our third catalogue dedicated to our business customers.

Each year, our Business department works along with hundreds of hotels, restaurants and offices in their new or remodeling projects, with a focus on style and inspiration. Isn’t it true that hotels and restaurants are the most popular new hot spots and a favourite topic of the interior design press? That’s why we are offering you even more style-driven products, specially designed to comply with the needs of businesses.

And because it’s hard to select from so many styles, and helpful advice is always welcome, we have developed a brand new innovative service: Interior Design Consulting. This “turnkey” service provided by our interior designers features moodboards, layout plans and 3D modelings to help you achieve your project goals in 2019. We wish you every success as well as an enjoyable and rewarding venture!

Julie Walbaum, General Manager
I was very happy with the services offered by Maisons de Monde! They provide a friendly, quick and personalised service. In all it was a successful project.

Anna Brittnacher - Hôtel Ohm by Happy Culture, Paris

We were delighted to discover and work with MDM’s Business Department, both for the advice and the quality of the customer relationship.

Jean-Eudes Oumier - Keyrus, Paris

The Business service was a real help for our project! It is not easy to create a coherent atmosphere, and thanks to your decoration advice we succeeded.

Viktor De Maertelaere - Skyline Flats, Ghent

We work with the MDM Business Department frequently for our coworking spaces and we are really satisfied. The Business team is attentive and always responds quickly, the furnishings are perfect for our needs and our clients are delighted.

Guillaume Bertaud - Morning Coworking, Paris

The Maisons du Monde Business team enabled our customers to fully enjoy the #MundoHo experience, paying attention to every detail of the interior decor and enhancing every nook and cranny of our apartments.

Antonio Sánchez Fernández - Hoteles HO, Almería

With MDM you’re sure to be able to carry out your project, with valuable help in selecting furnishings that comply with requirements for public buildings and accurate follow up when it comes to delivery and dispatch.

Frédéric Tabary - Bar à Vin LEM, St-Etienne de Montluc

We really appreciated the support of MDM in carrying out our project, especially in the preliminary phase of conceptualization and 3D modeling of the project.

Vincent Torres - SAV Group, Paris
