On Saturday, August 31, Maisons du Monde opens its new store in Schweighouse, in France. In this new space totaling 710 sqm, customers will discover all the home decor universes: decorative items, lightings, textiles, tableware and furniture presented in stylish ambiances.

Whether our customers are looking for a gift idea, a specific item, a unique home accessory or wish to place an order, Maisons du Monde will satisfy all their decorating desires. In this store, it will even be possible to work on a home decor project with Maisons du Monde staff, thanks to the "Swatch Bar" presenting all the brand's styles, all the sofa shapes, colors and materials, as well as wood samples, with the different stains and shades...

A staff of 8 people newly recruited will be on hand to welcome them.

Since the beginning, Maisons du Monde has focused on decoding all the latest trends, adapting to lifestyle changes and mixing up styles, to create and develop unique, constantly updated collections. We do not dictate one style, our furniture and decorative accessories encompass all styles to reflect the personality, the emotions and the tastes of our customers.

Once again, inspiration will be in the air at the Maisons du Monde store in Schweighouse where customers will discover the new Autumn-Winter decoration collections.
