On Thursday, September 12, Maisons du Monde opens its new store in Roma Salaria in the commercial zone Salario Center, in Italy. In this new space totaling 1200 sqm, customers will discover all the home decor universes: decorative items, lightings, textiles, tableware, furniture and even a junior corner presented in stylish ambiances.

Whether our customers are looking for a gift idea, a specific item, a unique home accessory or wish to place an order, Maisons du Monde will satisfy all their decorating desires. In this store, it will even be possible to work on a home decor project with Maisons du Monde staff, who will welcome our customers in a dedicated space, called "the Decor Workshop", presenting all the brand's styles, all the sofa shapes, colors and materials, as well as wood samples, with the different stains and shades...

A staff of 17 people newly recruited will be on hand to welcome them.

Since the beginning, Maisons du Monde has focused on decoding all the latest trends, adapting to lifestyle changes and mixing up styles, to create and develop unique, constantly updated collections. We do not dictate one style, our furniture and decorative accessories encompass all styles to reflect the personality, the emotions and the tastes of our customers.

Raffaella Lambri, country manager for Italy at Maisons du Monde, said: "We are delighted to open our 48th store in Italy and our 3rd store in Rome. Interiors fans will discover our inspiring collections and a huge range of stylish accessories or statement furniture pieces to refresh their homes".

Once again, inspiration will be in the air at the Maisons du Monde store in Roma Salaria where customers can discover the new 2019 Autumn-Winter decoration collections.
