Maisons du Monde is continuing to grow, opening our 300th point of sale in Europe, in Paris.

You are invited to discover the new Maisons du Monde corner, which opened on 26 August at Printemps Nation. In this department store, fully renovated after 17 months of work, Maisons du Monde is inaugurating a 300-m² space, featuring decorative items and small furnishings to delight you and give a unique style to your home. Whether you're looking for a gift idea, a specific item or a one-of-a-kind home accessory, or you want to place an order, the new Maisons du Monde corner will be able to satisfy all your decorating desires.

"The success of Maisons du Monde is based on our creativity and our ability to constantly innovate. The corner at Printemps Nation is part of this dynamic, featuring all the strengths of the Maisons du Monde model - variety of styles, attractive products, immersive and aspirational ambiances - in a newly renovated and upgraded department store," said Gilles Petit, CEO of Maisons du Monde.

Since the beginning, Maisons du Monde has focused on decoding all the latest trends, adapting to lifestyle changes and mixing up styles, to create and develop unique, constantly updated collections. We do not dictate one style, our furniture and decorative accessories encompass all styles to reflect the personality, the emotions and the tastes of our customers. Once again, inspiration will be in the air at the Maisons du Monde corner at Printemps Nation.
