### *About Maisons du Monde*

From furniture to home accessories, Maisons du Monde has been creating inspirational and original universes for every room and every style for over 20 years. Throughout the year, Maisons du Monde' design team captures trends around the world to create exclusive furniture and home accessories collections. Every year, we create a furniture collection based on 7 styles, 2 home accessories collections each divided into 6 trends - more than 2,000 new items - and 4 catalogues: furniture and home accessories, garden furniture, Junior, and BtoB. After focusing on the consumer market, Maisons du Monde now also serves business customers, with a dedicated BtoB department. Today, Maisons du Monde has more than 300 retail outlets across seven countries in Europe (France, Italy, Spain, Belgium, Switzerland, Germany and Luxembourg) and an ecommerce platform available in eleven countries (the seven countries where we have stores, plus Austria, the Netherlands, Portugal and the United Kingdom). As a responsible designer and retailer, Maisons du Monde has a strong sustainable development policy reflected in everything we do.
