Maisons du Monde is opening the doors of its 21th store in Belgium.

New store, new team: 12 jobs have been created and sourced through local recruitment. A new address spanning over 1500m², where a wide range of home furnishing concepts can be found: furniture, light fittings, textiles and tableware are showcased in carefully-arranged ambiances.

Take a deep breath and be inspired Decoding new trends, capturing changing lifestyles, mix and match styles: this is what has driven Maisons du Monde, since its creation, and enables it to create and develop diverse collections that are continually refreshed. There are no diktats here, the furniture and decorative accessories are not wedded to a particular style, but to all styles, to reflect your personality, emotions and tastes.

Classic chic, exotic, contemporary, vintage, modern design, coastal or country house vibe...what will be your style?
