An offer for all styles ... and desires!

Furniture, decor items, lightings, textiles or tableware will be set in stylish and inspiring spaces. At Maisons du Monde, we keep an eye on trends and showcase the best styles. To inspire our customers, our furniture and decorative accessories encompass all styles to reflect their personalities, their emotions and their tastes. Whether our customers are looking for a gift idea, a specific item, a unique home accessory or want to place an order, Maisons du Monde will satisfy all their decorating desires.

In Vitoria, a team of 15 people will assist customer

A staff of 15 people, composed of 14 newly hired employees, will be on hand to welcome them and advise them. They will be able

to accompany them to work on a home decor project thanks to the "Decor Workshop" presenting all the brand's styles, all the sofa shapes, colors and materials, as well as wood samples, with the different stains and shades...

Inspiration will be in the air for customers and interior decor fans at the Maisons du Monde store in Vitoria where they will discover the new Fall-Winter and Christmas collections and the furniture collections of the brand.

A responsible store

Maisons du Monde is committed to responsible retailing. That is why we work on various elements: improving waste sorting, reducing energy consumption to limit our environmental impact and optimising store accessibility for people with disabilities. Like all of our Spanish stores, the Vitoria store is supplied with 100% certified renewable electricity and equipped with LED lighting to reduce energy consumption.
