A new place to discover. We look forward to welcoming you to a space measuring 1100 m². You will find an array of items for all corners of your home, arranged in a carefully-crafted ambiance that will provide inspiration for fans of this concept: furniture, lighting, textiles and tableware.

Be inspired!

Recognising and anticipating new trends, having its finger firmly on the pulse of changing lifestyles, adding oomph to styles: all the reasons that, since its creation, drive Maisons du Monde forward to develop its varied and constantly refreshed collections.

Freedom, above all. Far from being wedded to any particular style, our furniture and decorative accessories fit with all styles, so you can create a home that reflects your personality, your passions and tastes.

Classic chic, exotic, modern design, vintage, industrial, coastal or country house...what will be your style?
