

Maisons du Monde launches an ultra stylish collection for cats and dogs

Maisons du Monde, the creator of inspiring universes for the home, pushes back the boundaries of style and now offers a collection of accessories for cats and dogs. Walks, games, meals, naps are all moments which Maisons du Monde has considered and for which the brand has created about fifty fashionable and practical products.

Leashes, collars, balls, dishes and bowls, sets, dry food containers, tents, baskets, blankets, and more, a collection of original and attractive articles available in two dog themes (Dog Club, Graphik Dog) and two cat themes (Cat Club, Cat Girly).

This collection is already available in stores and on the website in France and in European countries where the brand has a presence (Italy, Spain, Germany, Belgium, Switzerland, Luxembourg, UK, Portugal, Austria, and the Netherlands).

Anne-Laure Couplet, Brand Executive Director of the Brand, declared: *"Our customers' animals have style. Naturally, we wanted to offer them a dynamic range of accessories. Design has no more borders and we are happy to give style to the accessories of our four-legged friends."*
